

# METABURN x OZONE UNIVERSE

## Participants Agreements

Subject to the OZONE UNIVERSE's Terms and Conditions, Cookies and Privacy policy, the term <participant> is defined as: any user of the software built by O-ZONE TECHNOLOGIES, including but not limited to the METABURN EXPERIENCE, the OZONE UNIVERSE experience, and/or any other software made by O-ZONE TECHNOLOGIES, now or in the future.

METABURN in Co-Production with OZONE UNIVERSE is building a recognized universe of the Burning Man Multiverse, enabling many artists, and community members to be <participants> in the METABURN VIRTUAL EXPERIENCE.

METABURN ensures that it will curate all the art to ensure any displayed art is free of rights and/or used with permission.

METABURN will ensure all <participants> sign off on this METABURN OZONE UNIVERSE PARTICIPANTS AGREEMENT. Either a Camp organizer, private gallery or small camp owner OR any single artist that provides their art to be exposed.

The participant may come to learn about parts of the applications work process, operating system or functionalities which are deemed private, proprietary, or confidential. The participant will provide assets and participate with METABURN to create the METABURN EXPERIENCE powered by OZONE UNIVERSE.

The METABURN EXPERIENCE offers many ways to be a <participant>, one of which will apply to you:

1. **Camp organizer:** If you submit your request timely you may be entitled to organize your own virtual Camp inside the METABURN. You will be responsible for Camp Startup Dues and providing any custom assets and design to customize your camp. The Camp organizer will either get Art curated by METABURN or provide their own authorized art.
2. **Artist:**
  - a. **Part of a Camp:** If part of a camp, the Artist will submit their art work and make arrangements for their agenda with the Camp Organizer.
  - b. **Solo Artist, small camp or gallery:** Working directly with METABURN the artists' creations can be spread in the playa or organized in a standalone gallery.

In both scenarios, the Artists and camp organizers (as also mentioned in the general terms and conditions) remain the owners of their assets and give the right to OZONE UNIVERSE to exhibit them for the purpose to enable the application to all Participants.

The artist is not giving up any of their rights of ownership in this arrangement and that nobody involved is allowed to use the digital artwork for any other purposes.

The artist or the Camp can request for them to be taken down. The request must be in writing from METABURN and OZONE UNIVERSE will remove the requested item within 30 days from receiving the request.

Artists participating are willfully accepting to expose and share their art with the community. The art can be exposed in different galleries and experiences to be coordinated with METABURN.

All Camp organizers and Artists commit to maintaining their experiences and arts live until at least 2 days after the end of the Virtual burning man Experience to request their art or camp to be taken down, which will be done as soon as possible within 30 days.

Any further agreements beyond the scope of the metaburn would be subject to another participation agreement.

### 3. Volunteers and Support Staff

We ask volunteers to commit 20 hours prior to the event for various training and onboarding sessions.

METABURN and OZONE UNIVERSE request for all volunteers to respect their schedule on the day of the event as by everyone pitching in and being self reliant, we can have a successful METABURN.

We request as soon as possible notice so we can fill in for any volunteers who don't show up. Also, volunteers will be redundant and in pairs so as to keep it social, fun and safe.
